Report of the Directors to the Members

The directors are pleased to present the unaudited accounts of the company for the first quarter ended March 31, 2007.

Review

(Amounts in Rupees millions)

	2007	2006
Premium written	106.2	127.0
Net premium	94.0	100.5
Underwriting result	9.7	6.9
Investment income	36.1	100.3
Profit before taxation	41.2	98.1
Profit after taxation	35.9	93.1

The above highlights reflect our efforts towards realignment of our business portfolio to improve our underwriting results. Despite lower premium written (mainly motor) and higher net commission expense, significantly lower losses, both gross and net, helped improve the underwriting profit by 42% over the corresponding period.

Investment income is considerably lower than the corresponding period following substantial realization of gains in 2006. Returns from bank deposits, however, more than doubled to Rs 6.8 million.

We have continued to strengthen the company's equity, and Revenue Reserves now stand at Rs 1.2 billion.

Outlook

Our plans, progress and perspectives were presented to you very recently in our 55th Annual Report and remain substantially current.

Acknowledgement

The directors acknowledge the dedication of the company's employees, thank all our business associates and members for their confidence reposed in the company, and our regulators for their guidance and support.

On behalf of Board
